

Happy Times
at the IKOB
regular, *italic*

[A] Throw a small rock in the sea. Ripples appears at the surface, shaped by the seabed as they spread. Bretagne is a matter of surface and deepness, a matter of traces left by primitive forces: wrinkles carved in man's foreheads by old legends, furrows digging the dune under the west wind and the great swell rising up on the shallows.

[B] Throw a small rock in the sea. Ripples appears at the surface, shaped by the seabed as they spread. Bretagne is a matter of surface and deepness, a matter of traces left by primitive forces: wrinkles carved in man's foreheads by old legends, furrows digging the dune under the west wind and the great swell rising up on the shallows.

[C] Throw a small rock in the sea. Ripples appears at the surface, shaped by the seabed as they spread. Bretagne is a matter of surface and deepness, a matter of traces left by primitive forces: wrinkles carved in man's foreheads by old legends, furrows digging the dune under the west wind and the great swell rising up on the shallows.
